Section 23a of the State Construction Code of 1972, PA 230 1972, MCL 125.1523a, prohibits a person from conspiring to circumvent the Licensing Requirements of this State relating to persons who are to perform work on a residential building or a residential structure. Violators of Section 23a are subjected to civil fines.			

A separate permit is required for TEMPORARY WIRING. A Building Permit number is required for new construction. Alterations or additions to existing systems are considered new work and the fees below apply to all items on the system.

Please be advised: No inspections will be performed until the required Certificate of Completion is submitted in full. Upon inspection, if the system does not function per the submitted Certificate of Completion, the inspection will be suspended and an additional fee of \$25.00 applied.
